Helpful Tips to make your Altamont Fair experience more fun!

1. Make a plan of where to meet on the fairgrounds in case you are split up.
2. Make note of where you came in - all the gates are numbered.
3. Make sure to bring medications with you in case of an emergency.
4. Bring a stroller/wagon for the kids - there is a lot of ground to cover!
5. Bring sunscreen and apply often! Sunscreen will be available for purchase at the Altamont Country Store.
6. Lost child - Talk to your children about what to do if they get lost. All fair staff have been trained to assist. Your child should go to a person with a name badge within a building, at any of the five gates or a person in a security uniform.
7. Saving the midway for last. If you use Gate 5 off of Altamont-Voorheesville Rd, take a right as you enter the fairgrounds. This will take you in a counter clockwise direction around the entire fairgrounds, saving the rides until last.
