

## 2021 Pullorum Clinic Schedule

Revised: 6/23/2021

If you need birds tested to go to county or state fairs in New York State, please see the list below for Pullorum testing clinics. The Pullorum test expires 90 days from the date of the test.

Due to COVID-19, please read the following:

- \*All producers arriving at the testing site must not be showing symptoms of COVID-19. All producers attending pullorum clinic event must not have been in contact with anyone who has had a positive COVID-19 test result in the past 14 days.
- \*Only one person/producer allowed to enter testing site to hold birds during pullorum testing. All producers handling birds **must wear a face covering** and be 13 years of age and older.
- \*All other producer or family members must remain at the car. Please register with clinic contact prior to attendance.
